July 25 – 26, 2020 My First Memories of Missionaries

Last week I told that our parish would participate in the Annual Mission Co-op Appeal the weekend of August 1–2 (next weekend). Today I want to share a story about how I learned about the missions when I was just a boy.

My first memory of missionaries is of a man I never met, but with whom my father corresponded for many years. His name was Fr. Michael Reen and he was a missionary serving in Kenya. If memory serves me well, he was a priest from the New York area serving in the missions.

When my dad was in the seventh grade, his religion teacher—a Dominican Sister—had him write a letter to a missionary as an assignment. When Fr. Reen answered the letter, my future dad wrote back. Thus, began a correspondence that lasted for many years.

I remember my father sharing some of those letters with me – perhaps when I was 7 or 8 years old. I was probably just learning about the missions and my father thought the letters would expand my understanding of them. At that age, all I really knew about missionaries is that they taught people in far off places about Jesus and helped them if they were poor.

Those letters taught me a great deal more, even at that young age. I remember Fr. Reen explaining some of the challenges that missionaries face living in places that did not have the conveniences and services that we often take for granted. Those letters also taught me—by the time I was 12 years old—that political factors can affect missionary work a great deal. A government that does not respect human rights and religious freedom can make life very difficult for missionaries—as we are well aware!

I also learned about our obligations to support the missions when our parish took up a collection for Fr. Reen’s mission—much the way we take the Mission Co-op Appeal each year—and have our monthly Adopt a Mission collections. Supporting the missions is one of those things that truly connects Catholics around the world. The way our parish supports the missions speaks well of our faith.

As I said last week, those who wish to contribute to the Mission Co-op Appeal can place their donation in an envelope and mark it: Mission Co-op. You can either place it in the basket when you come into the Church—or mail it to the parish office. I believe you can also make a donation on line thru the parish website—as many of you do for your regular offering.

The parish website also has a banner headline about the Mission Co-op Appeal. It has photos and more information about the Salvatorian Missions— whose work this appeal will support. Thanks, in advance, for your

generosity to the Mission Co-op Appeal, and to the missions in general.

On another topic, many of you remember Timothy Eck—a seminarian who spent last summer in our parish. He will be ordained a deacon this weekend (He probably has been ordained by the time you read this!) Tim grew up in St. Jude’s parish in Blairstown. But he was Baptized here as baby—by Deacon John Flynn—before his parents moved the family to Blairstown.

I can’t help noting that this is the second year in a row that a young man Baptized by Deacon Flynn is being ordained. Deacon John Flynn also Baptized Fr. Matt Marinelli. I also can’t help noting how happy I am for Deacon Tim Eck—who did a great job with us last summer. His easy personality, goodness to people, intelligence, and prayerfulness are traits that will make him a great priest. Please keep him in your prayers as he spends this next year as a deacon and completes his seminary studies in preparation for priestly ordination next summer.

Please also remember to say a prayer for me—at least a Hail Mary each day if you can. I pray for all of you each day—especially in my daily Rosaries. Let’s continue to pray for the sick, for all our emergency and essential workers, and, of course, for peace.

Have a great week!

Fr. John

THE PRAYER CORNER

A CHRISTIAN PRAYER FOR PEACE IN OUR TIME

O God, author and giver of peace, in whose image and likeness each of us has been created with a human dignity worthy of respect on earth and destined for eternal glory. Listen to the cry that rises from every corner of this fragile earth, from our human family torn by violent conflict. Give peace in our time, O good and gracious God, that peace which, as your son Jesus Christ told us and as we have experienced in these days, is a peace which the world cannot give. To world leaders, grant the wisdom to see beyond the boundaries of race, religion, and nation so that common humanity that makes us all your children and brothers and sisters to one another.

To those who have taken up arms in anger or revenge or even in the cause of justice grant the grace of conversion to the path of peaceful dialogue and constructive collaboration.

To the innocent who live in the shadow of war and terror, especially the frightened children, be a shelter and strength, their haven and hope.

And to those who have already lost their lives as victims of human cruelty and chemical warfare, open wide your arms and enfold them all in the embrace of your compassion, healing, and everlasting life.

Grant this through Jesus Christ, your son, our Lord. Mary, Mother of all and Queen of peace, pray for us. Amen.

SCRIPTURE REFLECTIONS

"We know that all things work for good for those who love God, who are called according to his purpose." (Romans 8:28) Do you really trust God? Do you really believe that God will provide all that you need? Faith is a challenge for everyone at times. Putting our trust in God, in everything we do, in good times and in bad, means that God's plan for our lives may be quite different than what we planned. When one door closes, another one opens. Trust in God, His plan is always better.

FOOD FOR THE NEEDY

NEW JERSEY SAFE HAVEN LAW:

Under the New Jersey Safe Haven Infant Protection Act a person may give up an unwanted infant anonymously. The purpose of Safe Haven is to protect unwanted babies from being hurt or killed from unsafe abandonment. A distressed parent who is unable to care for an infant can give up custody of a baby less than 30 days old safely, legally and anonymously. All that is required is that the baby be brought to any hospital emergency room, police station, fire station, ambulance, first aid, or rescue squad in New Jersey that is staffed 24 hours a day, seven days a week. As long as the child shows no signs of intentional abuse, no name or other information is required. The parent can call the Safe Haven Hotline at 1-877-839-2339 and get the address and directions for any hospital emergency room, police station, fire station, ambulance, first aid, or rescue squad in the state.

MISSION APPEAL AUG. 1-2: SOCIETY OF THE DIVINE SAVIOR

The Salvatorians were founded by Fr. Francis Jordan, a German priest, on December 8th, 1881. He had been ordained in July, 1878. At this time the move to separate State from Church had developed into a harsh restriction of the ministry and pastoral care activities of the Church in Germany. The Kulturkampf Laws were introduced to try and limit the power and influence of the Church in Germany, but Fr. Jordan wanted to establish a religious society that would work to mitigate the effects of these oppressive legal provisions. He developed an ambitious plan to grow a society that would have three degrees of membership, the first being that of the members who would be professed and who would maintain the three evangelical counsels, usually referred to as the vows of poverty, chastity and obedience.

The Salvatorian website describes the foundation of the order in the following manner: *On the 8th December 1881, in the Chapel of St Brigida in Rome, Father Jordan and three other priests took private vows as members of the Apostolic Teaching Society. It is this date which is kept as the foundation day of the Salvatorians.*

MISSION:

The Society of the Divine Savior (Salvatorians) proclaims and teaches by all ways and means the goodness and kindness of Jesus the Savior.

VISION:

Salvatorians seek to become apostles for our times in order to make the Savior known to all people.

APOSTOLATE:

We are called to be apostles for the renewal of the Church and the world, and we invite others to discover and respond to their call to be apostles. We advocate for justice and peace, standing with the poor and marginalized. We are servant-leaders, involving others in our mission. We support one another through mutual love and service. We live a simple lifestyle, becoming one with those we serve, especially the poor.

UNIVERSALITY:

We include as members of the Society people from every nation, and we are open to serve the people of any nation.

THE FOCUS FOR THIS MISSION APPEALS

My focus is to serve our missions in Tanzania. Salvadorians have served in Tanzania for over 60 years. Today we Salvadorians are serving in parishes, schools, dispensaries for kids, catholic radio programs for evangelization and inter-religious dialogue, youth awareness ministries, farms, drinking water projects, and in the formation of priests and lay ministers. We mostly serve in the dioceses of Morogoro, Dodoma, Dar es Salaam and Tunduru-Masasi where we have a big Islamic population.

The funds we earn from the missionary cooperative plan will help us sustain our missions and missionaries and train seminarians for the future leaders of the Church thus allow them to continue their important work of making the Savior known. For more information on the Salvatorians and our missions in Tanzania please visit our website at www.salvatorians.com and click on “*Salvatorian Mission*”. May God continue to bless you and the important work you do to support our missions.

Peace and Blessings,
Fr. John Tigatiga,
Mission Director – Salvatorians
