

January 18, 2019

Dear Sisters and Brothers in Christ,

By now I am sure that many of you have heard the news about Fr. Tom Ganley.

At this time, I don't have any further details about this matter, but I will keep you informed as they develop.

A statement from the diocese will be made at all the parish Masses this Saturday evening and Sunday, January 19 – 20. I will post that statement on the parish website as soon as I am able to do so. In the meantime, a statement from our bishop is also posted on this website.

It truly breaks my heart to have to share such news with you. Please pray for the victim of this crime, and for the healing of everyone who has been hurt by it.

You may, of course, call the diocese or the school or parish office with any questions you have.

If I can be of any help to any of you – or your families – in dealing with this matter, you need only to give me a call. Caring for you at this time will be my first priority. I'm sure that Fr. Leo feels the same way.

In the meantime, may God grant all of us the grace and strength we need during this difficult time.

Faithfully,

Fr. John
